

Elevated Infection Control Standards will be followed:

*As we prepare for the warmer months & upcoming "Social Distancing" events BAR 51 has put the following Safety Measures in place.

Installation of 4' Sneeze Guard on each Mobile Bar

* Use of PPE (Gloves & Masks)*

* Sanitizing the Bar area every 2-hrs*

* Consistently enforcing social distancing as clients are waiting to be served*

* Condiments will be placed in a container behind the bar*

** We are only using Disposal Drinkware (Event Specific)

BAR 51 is adhering to all CDC Standard Regulations
